

LBI PTA STUDENT DIRECTORY

The LBI PTA publishes a directory of students in the Long Beach Island School District. The directory is a great resource when contacting school, setting up a play date, calling for homework help, planning parties, etc.

It is completely voluntary. There is no cost involved. You decide what information you would like published. In order to participate, please fill out the form below. ***If your information was listed in the directory last year, please check it, sign form and complete the form below if you need to update your information. With your email listed, you will get all PTA emails.***

The LBI PTA Student Directory is published for the personal use of the LBI School Community. The Directory list cannot be used for commercial or business purposes.
